SAHARY (predawn meal)
Holy prophet has recommended the believers to get up early in the morning before daybreak and eat something before the fasting time begins. In relation to the Salary there are some importantpoints:

1-Sahary should be eaten even with a piece of date and a sip of water. The best meal for Sahary is Sathun (a parched barely meal).

2-It is obligatory to make the Njyyah (intention) previous

3-It is narrated that Ahah and His angels send down blessings upon the one who eats Sahary and beseeches Allah's pardoning.

At the time of Sahary and Iftar (breaking fast) and also between these both, it is recommended to recite the Sura-e-Inna Anzalna, because the man who does so,will obtain the reward of one who becomes ingured in the way of Allah. It is also recommended to recite the following Du'a which Imam Muhammad Bin Ali (A.S) used to recite at Sahary Time.

It is narrated by Abs Thumali that our fourth Holy Imam

Zainul Aabideen (A.S) used to recite this Du'a at Sahay time
 (predawn-meal).

O Allah! Discipline not me with Thy

Punishment and suffer me not by Thy plan. Wherein can I get wellbeing

O my Lord? While the goodness is not available except by Thee. How can
